KITCHEN LAYOUT PLAN & DESIGN NOTES

FINISHES

FLOOR: grey polished concrete screed throughout

WALLS INTERIOR: Plascon inspired colours 'Rhapsody in blue' B3-D1-4 (page 182)

KITCHEN CUPBOARDS: white

HANDLES: metallic - copper/brass/gold in colour (furniture, fittings & decor to carry through same metallic colour)

COUNTERS: grey stone / granite

Design notes:

1. Decrease existing timber arch size down to 1.5m between columns. Move column on the right side over towards the left - leaving 1.5m between the 150x150mm columns. Decrease the overhead beam too. Brick up the remaining space between column and scullery exterior wall.

2. Remove existing timber opening beam, removed kitchen/entrance counter, brick up wall to full height, enclosing scullery space. Incorporate doorway into scullery 850mm away from window side wall.

3. Remove existing external sliding door, replace with 3.6m stack back folding door.

4. Remove existing stable door (front door), replace with new stable door, with glass panel in top piece. Materials to match stack back folding door
